1. ANY member can run this report.
2. Use Specific Qualification Listing (not Skills Evaluator) to include contact info.
3. Check "Include Contact Report" to get evaluators' email address and phone.
4. Change "Member or Organization" by clicking curved arrow. Can look up ANY unit or command, e.g. all of VAWG use MER-VA-001, all of Group 1 use MER-VA-083, all of MER use MER-MER-001, even units in another wing or region, such as NCR-MN-122. If you just want within that unit (Group 1 HQ only), check "Unit Only" and it will limit to that charter number.
5. Select Qualification (CTRL/select for multiple).
6. Limit Results to: Active and Skills Evaluator.
7. View Report.
8. Since there is contact information, it will show as a file on your computer instead of directly opening.
9. Contact information is protected and shall only be shared for mission requirements (e.g. you can share it with members who are working on training but NOT post it to your squadron public website or Facebook page.)
